

UPCOMING HOMEBRIDGE PROVIDER TRAININGS

Your Growth as a Provider
Makes a Difference

Collaborating Across the Care Team

Thursday, February 5th | 9:00am - 10:30am & 1:30pm - 3:00pm

This course focuses on person-centered care and the importance of teamwork between consumers, caregivers, and care teams. Participants will learn about consumer rights, effective communication, and how collaboration supports quality care in the IHSS program.

Respecting Differences

Tuesday, February 10th | 9:00am - 10:30am & 1:30pm - 3:00pm

This course introduces key concepts related to diversity, equity, and inclusion, including privilege, neurodiversity, microaggressions, and cultural awareness. Participants will learn how to recognize and respect differences while fostering inclusive and supportive care environments.

Key Concepts of Home Care, Self-Determination, and Self-Direction

Thursday, February 12th | 9:00am - 10:30am & 1:30pm - 3:00pm

This course explores the foundations of home care and the principles of self-determination and self-direction. Participants will gain a better understanding of consumer choice, independence, and the role these concepts play within the IHSS program.

Supporting Consumers with Medication Management

Tuesday, February 17th | 9:00am - 10:30am & 1:30pm - 3:00pm

This course provides an overview of safe medication support practices for caregivers. Participants will learn about common medication types, organization strategies, communication with consumers, and ways to reduce medication-related risks.

All About Food: Nutrition, Spending, and Budgeting

Thursday, February 19th | 9:00am - 10:30am & 1:30pm - 3:00pm

This course covers basic nutrition, meal planning, and budgeting skills to support consumer health and independence. Participants will learn how to plan balanced meals, stretch food budgets, and support consumers with dietary needs.
